

# West Point Treatment Plant Security Gate Project

## Proposed gate features

Not actual gate. Gate is still in initial planning stages.

- Turn around area
- Signs to direct park users to Visitors Center to obtain parking permit for beach and lighthouse
- King County and Seattle Parks staff open gate with existing ID cards
- Intercom 24/7 from gate to treatment plant operations staff
- Gate may be staffed by King County during business hours
- Gate automatically opens for emergency vehicles (fire, police, etc.)

**King County**

Department of Natural Resources and Parks  
Wastewater Treatment Division
